THEME of the year 2026

FLYING TO THE MOON AND FURTHER
Belgium embraces the challenge

Switch to Space 5

Belgian industry. Belgian research.
Shaping the future of lunar exploration.

18 November, 2026 **Venue MIX, Brussels** **Free**

Test your knowledge of space and lunar exploration in our interactive contest during Switch to Space 5!

Connect to the event on Wooclap, fill in your name, and answer the space-themed questions, and see how much you know about the Moon and beyond.

Exciting prizes are up for grabs!

- **A smart telescope**
- **A LEGO Tintin Moon Rocket set**
- **A genuine piece of lunar meteorite**
