SPECIFICITIES

1. Access

Campus access

It is possible to access the Plaine campus via ULB or VUB.

ULB entrance is on Avenue Fraiteur (entrance 2). You will need to badge your staff card to enter. You can then walk down to the LIC: the easiest way is to follow the new pink-gravel path that goes down the Plaine, runs along the NO building, and leads to the LIC.

VUB entrance is on Avenue du Triomphe (near Colruyt), via entrance 6. This is a specific entrance for catering and visitors. If you stay on this road, you will find two parking lots available, close to the LIC (which is located on the same road, after buildings S and G).

Parking

Plaine campus offers several parking options:

- ULB: near the Centre d'Action Laïque (entrance 2) and near building H (entrance 2 or 3)
- VUB: several staff parkings (we can request one day access) and public parkings (free for 3 hours, then paying 1 euro/h), most often accessible via entrance 6 or 13. More information can be found on the dedicated webpage.

Building access

ULB and VUB members must ideally download the Roamer X app before the event to come in. You can find all the informations to connect on LIC website or you can ask our colleagues at the InfoDesk (LIC building, 1st floor).

If you don't have a phone or the app doesn't not work we can manage an other way for participants to enter.

SPECIFICITIES

2. Materials

See each space specificities.

As equipments can be challenging, please let us know if you want a tour or an assistance on your event. You can tell us your needs in advance once the room is reserved, through lic@ulb.be

3. Catering

We have no restrictions on the matter; you are free to choose any catering you wish for. On demand and usually we suggest the VUB restaurant, as they know the premises well and handle catering for most VUB events. Another advantage is that they are located directly on-site.

Here is a list of caterer that already come to the LIC :

- BelgoBon
- La Toque Blanche
- Royal Dujardin
- VUB restaurant
- Traiteur Les uns Les autres

You are also free to bring your own catering.

Catering can be delivered in or outside the room, whether it's a classroom, an event room or a meeting room.

Please let us know the caterer's license plate a few day before the event so we can register and let him enter the campus.

SPECIFICITIES

Be aware that there's no oven, fridge nor space at caterer disposal. All catering material must be provide and ensure by the caterer. However, high dining table such as disposal table can be set by our team for the catering. Board room also have two dedicated space for it (inside and outside the room).

4. Communication and signage

General communication and signage can be placed in front of the rooms, especially if you used the Learning Theater. Just in front, you can find 3 screens that can provide an agenda or poster.

You can send us the communication you desire or the specific information that needs to be mentioned and we'll make a LIC layout communication for your event.

Please be sure :

- Your design is created in 1080x1920 px/cm
- You video is max 2 GB - max 8 mbph - max 30 sec frame rate

Signage can be place inside the LIC to help participant to go to the exact room, especially if you used multiple space in our building.
